Dear Darren,

It is my pleasure to welcome you to the Composites Australia Board of Management. This letter is to give you some fundamental information about the Board.

The CA Board usually meets four times during the year. The meetings are typically held from 12 noon to 4.30 pm and are often followed by an Industry Briefing or Trade Night. Agenda items may include Membership, Finances, Events, Education and Training, the Connection Magazine, and other business such as insurance and legislation.

For travel to Board meetings, fabricator Board members may claim up to \$400 reimbursement per trip with a cap of two meetings per year per member. The Board of Management also maintains Directors and Officers' Liability Insurance, and you will be asked for further information in order to be included in this.

Your fellow Board members are:

Genelle Coghlan – Colan Australia - President
Mark Sterbic – DIAB Australia - Vice President
Trevor Panozza – Ampelite Australia - Treasurer
Alexander Kryger – Aptec Composites
Phil Bovis – Cool Composites
Martin Jones – Composites CRC
Robert Hutchinson – Composites Solutions
Floreana Coman – Engineered Materials Australia
Michael Di Stasi - Fiber Glass International
Frank Rosselli – Exel Composites
Sharon Swan – LSM Advanced Composites
Michael Leggett – Oceania Composites Engineering
Simon Taylor – The Valspar (Australia) Corporation
Thiru Aravinthan – University of Queensland - CEEFC

The Composites Australia Board of Management is pleased to have you on the team and looks forward to your attending the next meeting, which is scheduled for Thursday 25th February 2010 at Thermal Bay Composites, 89 Cherry Lane, Laverton North, Victoria.

Yours sincerely,
